

Submit an Abstract

June 8, 2023

The final in-person abstract submission date is June 13; September 20 is the final virtual abstract submission deadline.

Share your science and submit an abstract to present at our 2023 International Annual Meeting, October 29–November 1 in St. Louis or virtually.

All scientific abstracts are accepted!

Gain presentation experience and professional recognition among premier agronomic, crop, soil, and related science professionals. Your efforts will expand your CV/vita, disseminate information for all to succeed, and foster lasting collaborations with your peers.

Don't have the detail you need to submit an abstract? No problem! Abstracts at this point are simply "holding slots" that reserve your spot in the desired session. Submit now and update later! *Please note that in-person submissions cannot be transferred to virtual sessions.*
